AN ACT

relating to requiring certain general academic teaching
institutions to offer a fixed tuition price plan to undergraduate
students.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:

SECTION 1. Subchapter A, Chapter 54, Education Code, is
amended by adding Section 54.017 to read as follows:

Sec. 54.017. FIXED TUITION PRICE PLAN FOR UNDERGRADUATE
STUDENTS AT CERTAIN GENERAL ACADEMIC TEACHING INSTITUTIONS. (a)
In this section, "general academic teaching institution" and
"public state college" have the meanings assigned by Section
61.003.

(b) This section applies only to a general academic teaching
institution other than a public state college.

(c) The governing board of an institution to which this
section applies shall offer entering undergraduate students,
including undergraduate students who transfer to the institution,
the opportunity to participate in a fixed tuition price plan under
which the institution agrees not to increase tuition charges per
semester credit hour for a participating student for at least the
first 12 consecutive semesters that occur after the date of the
student's initial enrollment at any public or private institution
of higher education, regardless of whether the student enrolls at
any institution in those semesters, and subject to any restrictions
or qualifications adopted by the governing board. For purposes of this section, one or more summer terms occurring in the same summer is considered a semester.

(d) Unless the institution does not offer other tuition payment options, an institution to which this section applies may require an entering undergraduate student to accept or reject participation in the fixed tuition price plan offered under this section before the date of the student's initial enrollment at the institution.

(e) This section does not require an institution to which this section applies to offer a variable tuition price plan or other tuition payment options to undergraduate students enrolled in the institution.

(f) Fees charged by an institution to a student participating in a fixed tuition price plan under this section may not exceed the fees charged by the institution to a similarly situated student who elects not to participate in the plan, if the institution offers other tuition payment options. For purposes of this subsection, students are similarly situated if they share the same residency status, degree program, course load, course level, and other circumstances affecting the fees charged to the students.

(g) This section does not apply to the tuition charged by an institution to which this section applies to a student who enters the institution for the first time before the 2014 fall semester.

Act does not receive the vote necessary for immediate effect, this
Act takes effect September 1, 2013.
